DEFERRAL ELECTION (Check One)

The amount I elect to defer will be withheld from my paycheck and paid by my employer into the Plan on my behalf.

- I wish to defer _____% or \$_____ from my weekly paycheck each payroll period.
- Zero. I do not wish to make future pre-tax contributions to the Plan. I understand that I may change this decision in the future by completing another copy of this Form and providing it to my employer.

NOTE: It may take several days to process your change in election after you have submitted it to your Employer. If you do not submit this Form in sufficient time to make a change before the next payroll period, it will take effect the following payroll period.

NOTE: The law limits each Participant to a maximum deferral amount that you may contribute on a pre-tax basis to all plans in which you may contribute for any calendar year (whether or not the plans are sponsored by your current employer). The limit is \$22,500 per year for 2023, with a catch up for individuals at least age 50. There are other IRS limits as well that apply to the Plan. Please contact the Fund Office for additional information.
